

- The magnetic NAGA glass board is the modern version of a whiteboard. It has the same features, and is at the same time a decorative element.
- You can write on the board with a chalk marker or with a regular whiteboard marker.
- Once the text has dried, you can easily wipe the board clean with a chalkboard eraser, or a dry cloth.
- You can stick various accessories onto the board with super strong magnets.

● Your NAGA board is delivered with one marker and two Super Strong Magnets. The marker will be in black or white depending on the colour of the board. In addition to this, you can buy further specially designed NAGA accessories.

● NAGA glass boards are available in seven different sizes and in a variety of colours.

● There are endless possibilities for different colour and size combinations to match your space, be it at home, in the office, at school, in a waiting room or in other public spaces.

● Please take a look at [www.naga.dk](http://www.naga.dk) for further inspiration on how you can combine NAGA magnetic glass boards,
